MESSAGE FROM THE MAYOR:

Winter seems to have passed us by but spring is a little slow to get started. When it does, I'm sure there will be lots of yard clean-up projects. To help those projects along the "yard waste" dump is now open. It stayed closed for sometime so hot ashes could cool down and then with wet weather we didn't want to mess up the road when it was muddy. Make sure the shrubs and limbs ect. are all natural, no building materials. All grass clippings stay outside the fenced area for mulching. If you need mulch ask Don or Tony where you can get some. They have different piles that can be used. **We have received several complaints about dogs running loose.** Some of the dogs are friendly, but concerns are that they might get hit by a car. They are also not licensed, tags need to be bought and dogs kept at home. Be careful of cars, dogs and kids!

Randy Camp, Mayor

REMINDER

LaCrosse Ord # 340

All weeds and grass shall be mowed once a month, April thru September.

No grass or weeds to exceed twelve inches in height.

A complete copy of the ordinance can be requested at City Hall.

The clipper will be included with your monthly water/sewer bills beginning in June of 2026. If you would like a copy emailed to you, please call the town office at 509-549-3330.

You can also view it at: lacrossewa.us

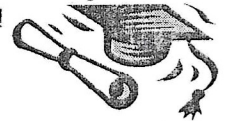

Class of 2026 Fundraising Updates

The Class of 2026 students are getting close to raising enough funds to cover airfare and hotel accommodations for their upcoming trip. They are now seeking sponsorships from individuals and local businesses to help support the educational and cultural experience of Pearl Harbor.

To continue fundraising, seniors are offering **Rent-a-Senior**, where community members can hire one or more seniors to assist with jobs around their home or property by donation. Seniors will also be running **concessions** at T-ball, Coach Pitch, and Minors games in LaCrosse.

Additionally, the seniors are accepting clean, gently used items for an upcoming **garage sale**. Donations can be arranged for pickup by contacting the school office.

Support our seniors and help make their trip a memorable educational experience!

Message from LaCrosse Schools

As we move into a busy and exciting spring season at LaCrosse Schools, I want to take a moment to thank our incredible community. Your continued support, whether it is showing up to events, helping with fundraisers, or simply encouraging our students, makes a lasting impact. We truly could not do this work without you, and your willingness to step in and lend a hand never goes unnoticed. Because of the generous support we received during our recent Book Blast, we will be distributing 241 books to our elementary and middle school students right after spring break, putting new books directly into the hands of our kids.

Right now, our school is full of energy. We are in the middle of fundraising efforts to support five of our seniors as they prepare for their senior trip, our FFA students are actively engaged in events and competitions, and spring sports are in full swing. After spring break, we will also enter state testing season, where our students will have the opportunity to show their growth and learning. This Tuesday, March 30, we are especially proud to celebrate 23 middle and high school students for their high academic achievement, along with inducting four additional students into the LaCrosse chapter of the National Honor Society.

Thank you again for being such an important part of our school community. Your support helps create meaningful opportunities for our students, and we are proud to partner with you in their success.

LIBRARY NEWS.....

Hey LaCrosse . . . It's warming up outside! Here is what is going on at the LaCrosse Library for Spring in April and May 2026.

Things can sometimes change last minute due to unforeseen events, like illness, so please follow us on Facebook, check our website, and look out for flyers posted around town and at the library.

All library events are FREE, unless otherwise posted, thanks to generous donations from community members.
